Beneficiary Module is the system for the management of projects that received an EU grant under the Erasmus+ programme. The Tool is developed by the European Commission for you, as beneficiaries of these projects.

In the Beneficiary Module you will be able to provide all the information on your projects, identify participants and mobility activities, complete and update budget information, generate and follow-up participant reports and generate and submit your own report(s) to your National Agency.

To access the project, please follow the steps below.

- Go to Beneficiary Module website at <https://webgate.ec.europa.eu/beneficiary-module/project/#/project-list>

- If you have no EU Login account associated with this e-mail address yet, please click on "Create an account" and set up your account. During the registration process please use the email address that this message was sent to.

- If you already have an EU Login (formerly called ECAS account) associated with this e-mail address, please use it to log in.

You can find the Beneficiary Module Guide here: <https://wikis.ec.europa.eu/x/KKT-AQ>

Please contact your National Agency if you need further information or support.
